ABM RECYCLING LLC

20-A Sadova Str., UA-12402 Oliivka, Zhytomyrskyi dist.,

Zhytomyr reg., Ukraine

mob.: +38 068 557 57 93

mob.: +38 067 779 60 33

e-mail: info@abmrecycling.com.ua

<https://abmrecycling.com.ua>

ABM Recycling LLC is a specialized company in the field of waste management of electrical and electronic equipment (WEEE) and hazardous waste.

We provide a full range of services: collection, transportation, and recycling of waste; processing of lead-acid, lithium-ion, and other battery types; redemption of cable scrap and other complex scrap; environmental consulting and documentation support.

Our solutions help clients to: reduce the risk of fines; implement ESG approaches; optimize waste management costs.

Our clients include companies in the energy and telecommunications sectors, equipment manufacturers, importers, and service providers.

We build long-term partnerships by taking on the full complexity of environmental processes.

**AGRICULTURAL BASE LEADER OF UKRAINE PORTAL**

38 Pivnichna Str., UA-73000 Zymivnyk, Kherson dist.,

Kherson reg., Ukraine

mob.: +38 067 551 13 44

mob.: +38 067 551 12 27

e-mail: bazaagro@ukr.net

<https://idcompass.com>

Portal «Leader of Ukraine» / Database of agrarians of Ukraine
www.idcompass.com — effective marketing communication between
agrarians and companies of various fields. This is evidenced by our more than
25 years of successful work!

In Google, we are in the top three when searching for «Agricultural
Database» etc. Each oblast has a representative who, for a month,
works out one district of his oblast with «live» trips to the countryside.
We fruitfully cooperate with territorial communities, information about
which can be found at the end of each district.

All this shows that we take our business seriously, value our reputation
and are reliable partners!

See «Demo version» on the portal.

AMTEST POLAND LTD

ul. Sandomierska 26-A, 27-400 Ostrowiec Świętokrzyski, Poland

mob.: +48 791 551 561

e-mail: office.ua@amtest-group.com

<https://amtest-group.com>

Amtest Group, founded in London, the Group is the fastest growing distribution company in Central and Eastern Europe — with close to 70 employees.

Operating exclusively in the following countries: Bulgaria, Croatia, Czech Republic, Hungary, Moldova, North Macedonia, Poland, Romania, Serbia, Slovenia, Slovak Republic and Ukraine, the company fully supports our electronics assembly customers through the following departments: sales, process support, software, logistics, warehouses, parts assembly, engineering and self-sufficient technological laboratories.

Our catalog contains all the necessary equipment for the rapid and efficient deployment of electronics production lines under any conditions. Many production machines and equipment are permanently in stock in Poland, for the fastest possible deliveries to Ukraine.

We provide full service and warranty support for our equipment and conduct regular training courses both at our training centers in the EU and at clients' sites in Ukraine.

AQUA-THERM UKRAINE

23 Yevhena Sverstiuka Str., of. 507, UA-02660 Kyiv, Ukraine

mob.: +38 050 442 74 21

e-mail: info@aw-therm.com.ua

<https://aw-therm.com.ua>

Air Water Therm is a unique media resource that combines:

One specialized resource AW-THERM in the sector of energy efficiency, heat and water supply, ventilation and air conditioning.

Where we promote advanced ideas in the field of engineering systems and provide the platform for experience exchange.

Our target audience is design engineers, installers, building companies, condominium co-owners, HVAC sellers and users.

ASSOCIATION OF AGRIVOLTAICS UKRAINE PUBLIC ORGANIZATION

2-A Andriia Verkhohliada Str., of. 528, UA-01042 Kyiv, Ukraine

mob.: +38 093 763 76 72

mob.: +38 050 326 24 00

e-mail: info@agrivoltaic.org.ua

<https://agrivoltaic.org.ua>

The Agrivoltaic Association of Ukraine is an organization that promotes agrivoltaics as a field that serves several practical purposes: preserving agricultural production on land, generating additional renewable energy, adapting to climate risks (shading/microclimate), and strengthening the energy sustainability of territories. We bring together agricultural enterprises, energy companies, engineering teams, universities, and experts to ensure professional coordination between sectors and to develop joint approaches to implementing such solutions.

We are open to cooperation with organizations interested in the development of agrivoltaics in Ukraine, participation in joint initiatives, applied projects, and professional exchange within the industry community.

BEST MEDIA GROUP LLC BUILD PORTAL

11b Yevhena Sverstiuka Str., of. 413, UA-02002 Kyiv, Ukraine
tel.: +38 044 500 47 97
fax: +38 044 221 95 84
e-mail: office@budport.com.ua
<https://budport.com.ua>

Ukraine's main building portal Build Portal (www.budport.com.ua) is a great Internet platform where you can find the most interesting information about construction market. You need to choose the right construction materials or brigade of masters for building or renovation? Either partners for retail or expanding your business? You're welcome! We gathered all working companies in one place, and the most important — allocated the best, stable working organizations that have confirmed their status as reliable partners. You can easily configure the portal to fit your interests. You need the manufacturers, wholesale or retail distributors or you better access to the hard-ware store?

Thanks to convenient system of filters you can quickly find what you are interested in!

The most important thing in our project — all the information is verified and relevant. The portal was designed on the European technological base by the Ukrainian experts. It has a very simple and intuitive interface, so anyone can quickly orient and enjoy the benefits of this resource.

Besides, on the Build Portal platform you can create a modern website with European level design.

BIOMLED LTD

111-A Klochkovska Str., UA-61145 Kharkiv, Ukraine
mob.: +38 099 629 35 00
e-mail: glebov.y@biom.ua
<https://biom.ua>

BIOM Company is a Ukrainian trading and manufacturing company of electrical equipment. A leading manufacturer of battery systems for solar and hybrid power plants.

BLITZ ENERGY LLC

11 Panasa Myrnoho Str., of. 1/7, UA-01011 Kyiv, Ukraine

mob.: +38 098 960 39 79

mob.: +38 067 463 90 90

tel.: +38 044 585 82 20

tel.: 0800 300 007 (in Ukraine)

e-mail: info.blitzenergy@gmail.com

<https://sungen.com.ua>

Blitz Energy LLC is a modern energy company specializing in the supply, design, and implementation of advanced solutions in renewable and backup energy for businesses and private clients.

We provide a full-cycle approach to energy projects — from technical assessment and equipment selection to installation, commissioning, and ongoing service support.

Core Business Areas:

- Solar Power Systems (PV)

Design and construction of grid-tied, off-grid, and hybrid solar power plants for residential and commercial use.

- Industrial Generators

Supply of diesel and gas generators, ranging from compact units to large-scale industrial power solutions.

- Energy Storage Systems (BESS)

Advanced technologies for energy storage, enabling cost optimization and increased energy independence.

- Energy Consulting

Development of efficient strategies to reduce electricity costs and enhance energy reliability.

BUSINESS AND SECURITY MAGAZINE

44 Revutskoho Str., of. 4, UA-02140 Kyiv, Ukraine

tel./fax: +38 044 565 75 91

mob.: +38 067 238 11 67

e-mail: post@bsm.com.ua,

<https://bsm.com.ua>

BUSINESS AND SECURITY — business, specialized magazine devoted to questions of safety and security in Ukraine.

The magazine publishes:

- official information (laws, orders, decision);
- thematic articles of the leading experts in the field of safety;
- message from exhibitions, seminars and conferences;
- novelty of technical systems of safety (security and fire signal system, monitoring systems of access and television supervision), communication facility, individual protection, fire safety, means of protection of the information and computer safety, special transport and equipment;
- the information on the companies, whose equipment and the services have passed certification;
- offers on the goods and services.

Region of distribution — Ukraine. Circulation — 12,000 copies. Published since April 1996. The readers of a magazine are the chiefs of the leading state enterprises and organizations the experts working in the field of safety, businessmen.

CHIP NEWS MAGAZINE

10 Vidradnyi Ave., UA-03061 Kyiv, Ukraine

telegram: t.me/chipnewsua

e-mail: info@chipnews.com.ua

<https://chipnews.com.ua>

CHIP NEWS is a scientific and technical magazine covering the electronics, electrical and automation industries. It publishes news, reviews and articles of a technical and advertising nature, covering all aspects of the production, supply and use of products related to these industries.

The magazine is intended for professional engineers of electronic and electrical equipment, automation systems; technologists; specialists in the supply of components for production; CEOs of manufacturers and distributors.

With the beginning of a large-scale invasion CHIP NEWS is delivered in electronic form. Since 2023 the magazine is distributed free of charge.

The 4th issue of the magazine for 2026 has already been published. There are 2 options for downloading the issue, which differ only in size (quality of individual raster images).

9 Mb — <https://drive.google.com/file/d/12Vx3rGnGD3NuBMGs7Rf248YJjajMfvAA/view?usp=sharing>

34 Mb — https://drive.google.com/file/d/1TwWnvJCCH1-I_TMyd53uiymuopdpviMI/view?usp=sharing

All links to websites in advertisements and business cards are active. Links to article pages are also active on the Table of Contents and on the cover. When viewing the file on a computer, please use a two-page view with a separate display of the title page. This is a wish for a more «realistic» display of the journal.

Distribution of the magazine is strongly encouraged!!!

Read with benefit and pleasure!

CPG ENERGY LLC

50-A Zodchykh Str., of. 1, UA-01001 Kyiv, Ukraine

mob.: +38 099 392 86 52

e-mail: energy@cpg.fm

<https://www.cpgenergy.com.ua>

CPG Energy is a modern energy company and an active participant in the Ukrainian electricity and natural gas markets. It is part of the CPG group of companies. The company operates in accordance with the current legislation of Ukraine and holds all the necessary licenses to operate in the energy markets.

The core activities of CPG Energy include the supply, trading, and sale of electricity and natural gas, as well as participation in international trade, including the import and export of electricity. The company actively works with corporate clients, offering tailored solutions that take into account the specifics of each business and its consumption needs.

CPG Energy adheres to the principles of transparency, reliability, and efficiency in its operations. A key priority is building long-term partnerships with clients and counterparties, ensuring stable supply, and optimizing costs for consumers.

DELS LLC

8 Ihora Sikorskoho Str., UA-02000 Kyiv, Ukraine

tel.: +38 044 393 33 03

e-mail: info@dels.com.ua

<https://dels.com.ua>

Official distributor of Luxpower inverters, Pytes and HinaESS battery storage systems, and Aiko Solar photovoltaic panels.

DEPS TELECOM LLC

18 Marychanska St., UA-03040 Kyiv, Ukraine

tel.: +38 044 323 88 88

e-mail: solar@deps.ua

<https://deps.ua>

DEPS is a provider of comprehensive solutions for autonomous solar power plants and energy storage systems. The company integrates advanced technologies for both residential customers and businesses of any scale. DEPS ensures high-quality solar installations with a warranty and provides full support at every stage — from design and equipment selection to commissioning and ongoing operation.

DIM ENERGY SOLE PROPRIETOR

12 Heroiv Polku Azov Str., BFC Lake Plaza,

UA-04210 Kyiv, Ukraine

mob.: +38 066 786 52 62

e-mail: dimenergyua@gmail.com

<https://dim-energy.com>

DIM ENERGY — your partner in creating autonomous energy systems. We design and build modern «turnkey» solar power plants, integrating the world's best technologies for your comfort. We ensure a stable power supply for private homes and businesses through high-efficiency energy storage systems. Our priority is quality installation, technical support, and the durability of every solution. Solar energy for your peace of mind.

ECOFACOR CHARGE LLC

14-B Komitetska Str., of. 3, UA-65091 Odesa, Ukraine

mob.: +38 063 798 88 00

e-mail: info@ecofactor.ua

<https://ecofactortech.com>

ECOFACOR empowers CPOs with integrated EV charging solutions for public, retail, fleet, hospitality, workplace, and residential settings.

Our all-in-one solution includes:

1. R&D center: from concept to product in as little as 3 months
2. In-house engineered and manufactured EVCSs
3. Full-cycle installation and maintenance
4. Hardware-agnostic EV charging platform
5. CPO and driver care team

With our EV charging software platform and in-house EVCS design and production, along with power management features, CPO can easily scale your charging capacity while lowering expenses. Regardless of your organization's goals or the needs of EV drivers, we dedicate our full cycle of EV charging services to a smooth start and measurable success.

ECOFLOW

9-B Brativ Chuchupakiv Str., UA-03022 Kyiv, Ukraine

mob.: +38 080 020 75 55

e-mail: info@ecoflowukraine.com

<https://ecoflowukraine.com>

EcoFlow is a global manufacturer of technological solutions in the field of portable energy storage and energy systems for off-grid home power supply utilizing renewable energy sources. The company drives innovation in energy independence and enables self-sufficiency for homes, mobile structures, and vehicles off the central power grid. The global EcoFlow brand is currently represented in 83 countries worldwide.

EcoFlow Ukraine is the official authorized EcoFlow store in Ukraine, with over 800 partners across all cities in the country.

The authorized distributor of EcoFlow in Ukraine — Robotics Distribution (part of the DroneUA group of companies) — provides the full product line, as well as service and warranty support for customers.

ELITE ENERGY

30 Sobornosti Ave., UA-02154 Kyiv, Ukraine

mob.: +38 063 821 15 76

e-mail: olga8383436@gmail.com

<https://elite-nrg.com.ua>

ELITE Energy is an importer of LiFePO₄ battery cells, ready-made batteries and components directly from China.

We supply high-quality cells from trusted manufacturers, manufacture housings, assemble batteries of various configurations and select energy solutions to meet clients' needs.

Our range also includes inverters, solar panels and ready-made backup and autonomous power systems for home, business and solar power plants. We install, connect and configure equipment on a turnkey basis.

ENERGOBUSINESS MAGAZINE

59/5 Kostyantynivska Str., of. 37, UA-04080 Kyiv, Ukraine

tel.: +38 067 250 41 32

e-mail: peter@e-b.com.ua

<https://e-b.com.ua>

The informational and analytical magazine «EnergoBusiness» is an independent private media. It has existed since 1997 and is released 4 times a month, currently in pdf format. It is aimed at senior and middle management of companies operating in the energy and energy sources sector, enterprises supplying the power industry, as well as everyone who is interested in the issues of the fuel and energy complex. Exclusive analytical reviews and interviews are the priority.

Daily supplement «EnergoBusiness-News» is an informational digest of industry news and operational analytics based on materials from various sources. It is published 5 times a week.

**ENERGOSVYAZ LTD**

10 Romana Ratushnoho Str., UA-03110 Kyiv, Ukraine

tel.: +38 044 247 47 89

e-mail: director@energospv.org.ua

<https://energospv.org.ua>

The Scientific and Technical Center «Energozvyazok» was founded in 1998 and performs the following types of work.

Design.

Implementation of communication systems over power transmission lines, radio relay, optical and digital channels.

Own production of SCADA software, telemechanics devices and display systems.

Construction of information collection, management and display complexes.

Installation and commissioning.

ENERGO-TRUST LTD

4 Pritsaka Str., UA-03142 Kyiv, Ukraine

mob.: +38 098 180 20 80

mob.: +38 067 729 12 06

e-mail: viktoriaquantum2025@gmail.com

<https://energytrust.com.ua>

The company «Energo-Trust» is a leader in the supply of innovative power solutions, lighting, autonomous power supply systems for business and household consumers.

We supply the Ukrainian market with:

- Hybrid inverters and battery packs, power stations;
- batteries: Li-ion-high current (ALL-TAB technology), prismatic, lead-acid;
- batteries of various types;
- lanterns, lamps, table lamps, etc.

«ENERGO-TRUST» represents in Ukraine world-renowned manufacturers such as: Westinghouse, QUANTUM, INVT, TTN, BIWATT, ZONERGY, ONESTO, TENPOWER, TECCO, etc.

Hybrid inverters INVT, TTN, BIWATT, ZONERGY — a reliable solution for energy independence. Stable power supply and smart energy management.

The products are distinguished by high quality, balanced technical characteristics and meet European and international requirements for energy efficiency, reliability and safety, which is confirmed by the relevant certificates.

ENERGY CLUB LLC

12 Yuriia Illienka Str., UA-04050 Kyiv, Ukraine

tel.: +38 044 490 40 90

e-mail: info@iclub.energy

<https://www.iclub.energy>

Energy Club is the largest energy business community in Ukraine, bringing together key market players to foster partnerships, share expertise, and drive innovation. The Club organizes professional events, facilitates direct communication within the industry, and helps members find new business opportunities, partners, and investors.

ENERGY NETWORKS OF UKRAINE (SOLARVERSE) LLC

104 Kyrylivska St., of. 2, UA-04080 Kyiv, Ukraine

mob.: +38 067 175 24 98

e-mail: info@solarverse.ua

<https://solarverse.ua>

Solarverse offers affordable and efficient solutions for uninterrupted power supply for homes and businesses. We help customers choose the optimal power systems according to their needs — from everyday household use to ensuring stable business operations. We have direct contracts with trusted manufacturers such as Solis, Dyness, Sungrow, Longi, Tongwei, Deye, GSL, and others. We provide turnkey projects and 24/7 technical support.

ENERPEC LLC

30 Vasylykivska Str., 03022 Kyiv, Ukraine

mob.: +380672150110

e-mail: enerpec.161024@gmail.com

<https://enerpec.biz>

ENERPEC LLC is a Ukrainian company specializing in solar energy solutions, battery energy storage systems (BESS), and energy efficiency. We provide solutions for businesses and private customers, including solar power plants, backup power systems, EMS, and software solutions for energy optimization and electricity market (day-ahead market) operations. Our goal is to help clients reduce electricity costs and increase energy independence.

ENTIE

2-A Pyatyhorskikh Brativ Str., 133, UA-49044 Dnipro, Ukraine

mob.: +38 077 00 00 215

e-mail: info@entie.com.ua

<https://entie.com.ua>

ENTIE is a company-integrator of electrical solutions with its own electrical switchgear manufacturing plant.

More than 30 alternative energy facilities over 2 years across Ukraine. From design to commissioning.

The company has been operating since 2009. Today, ENTIE Group is an engineering infrastructure built around its own plant, which creates the «energy heart of the facility» — electrical switchgear equipment.

The group of companies includes the following businesses:

- provision of design services;
- a metalworking and electrical switchgear manufacturing plant with its own design and engineering bureau;
- supply of a wide distribution range of electrical products relevant to the market;
- a construction company with its own fleet of equipment and multidisciplinary specialists — experts in their field;
- an independent electrical testing laboratory (up to 35 kV).

ENTIE delivers a full cycle: from design and manufacturing to installation and testing.

GEONEWS.COM.UA

5 Shakhtarska Str., UA-04074 Kyiv, Ukraine

tel.: +38 050 015 04 53

e-mail: geonews.com.ua@gmail.com

<https://geonews.com.ua>

Since 2001 the website GEOnews.com.ua is one of the projects carrying out by NPO Heospadshchyna. Noosfera, the main task of which is to spread news about water, subsoil, nature use issues, etc.

NPO Heospadshchyna. Noosfera is a non-profit organization that contributes to the development and expansion of information about environmental topics among the Ukrainian society.

GREEN SYSTEM LLC

Symyrenka Str., UA-03134 Kyiv, Ukraine

mob.: +38 067 612 03 09

e-mail: info@greensystem.com.ua

<https://greensystem.com.ua>

GREEN SYSTEM has been in the market since 2012, shaping the future of energy. We provide turnkey solar power stations and energy storage systems of any capacity. We offer comprehensive solutions from design to implementation. Our in-house production of power control units and EV batteries guarantees reliability and high quality. Trust your energy independence to the professionals!

GRID LABS SOFTWARE LLC

3-7 Kyianivskiy Ln., of. 110-V, UA-04053 Kyiv, Ukraine

mob.: +38 093 704 74 74

e-mail: marketing@p4.com.ua

<https://gridlab.com.ua>

GridLab EMS is software designed to automate the management of BESS and other energy assets, while bringing all components of your energy infrastructure together into a single, unified island-capable system. You install GridLab EMS, define the operating scenario, and the software takes over — managing your energy system and monitoring its performance.

GridLab EMS is a versatile solution that can be integrated with different types of equipment. It is also integrated with the Day-Ahead and Intraday electricity markets and includes forecasting modules for solar generation volumes and electricity prices.

Install the demo version of GridLab EMS and experience the advantages of our system firsthand!

INFORMATION AND TECHNOLOGIES LLC

19 Yevhena Sverstiuka Str., UA-02002 Kyiv, Ukraine

mob.: +38 067 198 55 50

mob.: +38 067 555 12 50

e-mail: initenergy@gmail.com

<https://init.energy>

The company INIT present its own energy storage system under the SVIT brand — an innovative solution based on LiFePO_4 batteries to ensure energy autonomy of residential and commercial facilities. The products include both home solutions and industrial systems that can operate in network, autonomous or hybrid mode. Own production provides a full cycle of assembly, testing and quality control. Systems are developed based on the company's 30-year experience in the field of critical energy, in particular for nuclear power plants. The presented solutions embody high standards of safety, reliability and energy efficiency. Thanks to modularity and wide scalability, SVIT systems have already proven their effectiveness in real projects — from backup power supply for condominiums to support for manufacturing enterprises.

**INSTITUTE FOR SORPTION AND PROBLEMS
OF ENDOECOLOGY OF THE NAS OF UKRAINE**

e-mail: HaileiUkraine@gmail.com

IQ ENERGY — LEADER IN GREEN ENERGY IN UKRAINE.

Integrated solutions for energy independence of homes, business and industry.

A full range of solutions for any needs:

- solar power plants,
- energy storage systems
- backup power
- monitoring and control.

We supply state-of-the-art equipment, integrate innovative solutions and build the energy independence of the future together with our partners and customers.

KYIVENERGY

37 Mendeleieva Str., UA-01103 Kyiv, Ukraine

mob.: +38 050 615 07 55

e-mail: kyivenergycd@gmail.com

<https://kyivenergy.com/>

Kyiv Energy is a Ukrainian energy company specializing in solar power solutions, battery energy storage systems (BESS), inverters, and energy independence solutions for businesses and private facilities. The company delivers modern energy technologies focused on efficiency, reliability, and sustainable energy development in Ukraine.

LIKA BOILER PLANT LLC

4 Zavodska Str, UA-10025 Zhytomyr, Ukraine

mob.: +38 050 353 61 60

mob.: +38 097 288 02 71

e-mail: info@lika-svit.com.ua

<https://www.lika-svit.com.ua>

PRODUCTION OF SOLID FUEL BOILERS with a capacity of 100 kW to 10,000 kW. Block-modular boiler houses. Automated fuel warehouses, cyclones, smoke exhausters. Types of fuel: firewood, briquettes, coal, peat, pellets (from wood, peat, agriculture), woodworking waste (sawdust, wood chips), etc. Work experience — more than 20 years. The country of origin is Ukraine. The products are certified in Ukraine, the EU and the UK. Design. Installation. Guarantee. Service. Post-warranty service.

MARIE 2023 LLC

17/1 Starokostiantynivske Hwy., of. 8,

UA-29000 Khmelnytskyi, Ukraine

mob.: +38 067 189 30 05

e-mail: mari23.gen@gmail.com

<https://mari2023.com.ua>

Your business can't afford downtime — and neither can we.

MARI 2023 delivers professional sales, selection, repair and full-cycle service of industrial diesel generators across Ukraine. We respond fast, work precisely and take responsibility for every stage: diagnostics, repair, load testing and turnkey commissioning.

We support generators from 20 kVA to powerful megawatt-class systems for industry, agriculture, logistics, healthcare and commercial facilities.

With emergency response, a stocked parts warehouse, transparent terms and guaranteed results — we restore reliable power exactly when you need it most.

M.M. GRYSKO NATIONAL BOTANIC GARDEN OF THE NAS OF UKRAINE

1 Sadovo-Botanichna Str., UA-01014 Kyiv, Ukraine

mob.: +38 044 285 41 05

fax: +38 044 285 26 49

e-mail: nbg@nbg.kiev.ua

<https://www.nbg.kyiv.ua>

Main scientific areas of activity: plant introduction, acclimatization, adaptation, plant breeding, plant biotechnology, phytoenergetics, allelopathy, ex situ conservation of floristic diversity, ornamental horticulture, and landscape architecture.

NOVACIA PRIVATE PROPERTY

20 Kosmonavta Popovycha Str., UA-02166 Kyiv, Ukraine

mob.: +38 067 406 16 21

e-mail: info@novacia.com.ua

<https://novacia.com.ua>

The company with 30 years of experience in the market is a reliable partner in the field of supplying industrial fittings for various sectors of the economy. We offer not just products, but comprehensive and ready-made solutions for the implementation of design projects of any complexity.

Our range covers a wide selection of products that meet modern standards of quality and efficiency. Each product is presented in different variations, which allows you to accurately select the optimal solution for specific technical tasks.

We combine high quality with a competitive price, providing customers with maximum benefit and reliability in each project. By choosing us, you get experience, flexibility and confidence in the result.

ONIPKO ENERGY LLC

13 Myroslava Popovycha Str., UA-03142 Kyiv, Ukraine

mob.: +38 067 356 50 25

e-mail: energy@onipko.com

<https://onipko.com>

Domestic manufacturer of innovative developments of the Ukrainian Academy of Sciences in the field of renewable energy. The company's product line includes unique hybrid wind-solar stations of the tracker type, which are equipped with an Onipko's rotor. The stations are divided into mobile and stationary models, the unique design and system for tracking the brightest point in the sky provide up to 60% more annual electricity generation compared to stations that are fixed to the surface and have the same installed capacity.

OSGP ALLIANCE NON-PROFIT ASSOCIATION

Nieuwe Ebbingestraat 42a, 9712 Groningen, The Netherlands

mob.: +38 096 376 06 90

e-mail: secretariat@osgp.org

<https://www.osgp.org>

The OSGP Alliance is the global non-profit association dedicated to promoting the adoption of the Open Smart Grid Protocol (OSGP) and infrastructure for smart grid applications towards a future proof modern smart grid.

Our members come from the key stakeholders in the industry, including utilities, hardware manufacturers, service providers and system integrators. All sharing a common goal and vision; promoting open standards for energy demand side management, smart grid and smart metering systems.

Our vision is a strong participation of key industry stakeholders working together to realize the next generation smart grid leading towards the long-term goals of the smart grid: affordability, security and sustainability.

POLYTECHNIK LUFT- UND FEUERUNGSTECHNIK GMBH

69 Hainfelderstrasse, 2564 Weissenbach, Austria

tel.: + 43 2672 890 0, +43 676 849 104 33

e-mail: ukraine@polytechnik.at

<https://polytechnik.com>

The Austrian company POLYTECHNIK is one of the leading manufacturers of boiler plants for wood chips / wood residues and agricultural biomass from 300 to 30,000 kW. More than 50 years of experience and 3,250 plants all over the world (among these also in Ukraine) ensure, that POLYTECHNIK is offering professional solutions.

Typical applications:

- hot water boilers for companies and district heating
- saturated steam boilers for production processes
- co-generation (CHP) plants
- carbonisation plants
- torrifaction plants

POWERLUX

1-V Zaliznychna Str., UA-69095 Zaporizhzhia, Ukraine

mob.: +38 067 405 11 77

e-mail: office@powerlux.com.ua

<https://powerlux.com.ua>

Trading and manufacturing company «POWERLUX» is one of the leaders of the Ukrainian market in the segment of supply of lighting equipment, solutions for autonomous energy and industrial tools.

Our key advantages:

Large assortment: The online catalog has over 30,000 items, which allows us to comprehensively cover the needs of projects of any complexity.

Direct import: As a large importer, we guarantee the most competitive pricing policy without unnecessary intermediaries.

Quality assurance: We cooperate with over 20 leading brands in Ukraine and Europe, choosing only technologically innovative solutions that have been tested by time.

Logistics and service: Having our own warehouse ensures prompt delivery, and full service support and warranty service minimize risks for our customers.

Why choose us:

«We value our reputation, so we focus on punctuality, high technical standards and constant updating of the product line in accordance with modern innovations».

PROMYSLOVA ELEKTROENERHETYKA TA ELEKTROTEKHNIKA ETIN LTD

P.O. Box: 15, UA-03190 Kyiv, Ukraine

tel.: +38 044 228 82 68

e-mail: promelektro.etin@gmail.com

<https://promelektro.com.ua>

The scientific and technical, production and practical journal collects and publishes technical, scientific, regulatory, and analytical information on the industry and the housing and communal services on the following topics:

- electric power industry;
- electrical engineering;
- energy saving;
- energy audit;
- ASKOE and LUZOD systems;
- ACS TP systems;
- power supply;
- design and installation.

It disseminates the information on new devices, equipment, installation and production technologies, and software.

RADIOAMATOR PUBLISHING HOUSE BRANCH

Kyiv, Ukraine

mob.: +38 066 271 35 94

e-mail: lat@ukr.net

<https://ra-publish.info>

We publish scientific and technical books and popular magazines.

The magazine Radiocomponents is published every two months and is devoted to the review of the Ukrainian and global markets of electronic components.

The magazine Electric is the edition on electric power and electrical engineering, dedicated to the practical electrical engineers.

The annual catalogue All radioelectronics of Ukraine is the most complete help directory edition in the branch of electronic components and radioelectronic engineering.

Subscription is possible in publishing house by phone (066)271-35-94; by e-mail: lat@ukr.net.

RADIY RPC

29 Akademika Tamma Str., UA-25009 Kropyvnytskyi, Ukraine

tel.: +38 0522 37 31 41

e-mail: inbox@radiy.com

<https://radiy.com>

Radiy is a global leader in the development of FPGA-based solutions for nuclear energy and critical infrastructure, with 30+ years of expertise and extensive successful install base (100+ systems installed worldwide). The company provides full project lifecycle services, from design and manufacturing to testing, installation, staff training, and ongoing technical support after implementation.

The main areas of activity include:

- Development and production of systems for nuclear power engineering
- Engineering and implementation of integrated projects
- LED and energy-efficient solutions for industrial applications
- Electrotechnical products
- Tools for analyzing physical processes
- Fire alarm and safety systems
- Hydromechanical equipment
- Strategic partnership and international cooperation
- Testing sites, laboratories, and technical expertise.

RESEARCH CENTRE FOR INDUSTRIAL PROBLEMS OF DEVELOPMENT OF THE NAS OF UKRAINE

1-A Inzhenernyi Lane, UA-61166 Kharkiv, Ukraine

tel./fax: +38 057 702 08 67

e-mail: ndc_ipr@ukr.net

<https://ndc-ipr.org>

Research, expert-analytical, project consulting, and educational center

**SCIENCE PUBLISHING HOUSE PRO**

5 Shakhtarska Str., of. 30, UA-04074 Kyiv, Ukraine

tel.: +38 050 015 04 53

e-mail: sphpro@gmail.com

<https://geonews.com.ua>

Scientific publishing house PRO specializes in publishing scientific editions, including periodicals.

We present such professional journals as Hydrogeology & Public Health and GeoEnergy.

We also offer the all-Ukrainian weekly newspaper on environmental issues.

There are also some non-fiction works on art history, geology and ecology that are published by PRO.

Our publishing house has independent printing facilities and publishes some small editions (up to 500 copies).

SIMAI TECHNOLOGY LLC

Delea Veche 24, 024101 Bucuresti, Romania

mob.: +40774556854

e-mail: natalia.zlatina@simaigroup.com

<https://www.simaigroup.com>

The company specializes in R&D, manufacturing, and integrated energy solutions in the field of solar photovoltaic (PV) products.

SMART EMS TRADING LTD

Voznesenskyi Uzviz, 23-A, of. 18, UA-04053 Kyiv, Ukraine

mob.: +380938280569

e-mail: smart.ems.trading@gmail.com

DERTwin is a digital twin of distributed energy resources. It is a platform from SMART EMS Trading that combines monitoring, forecasting, and trading of energy from generation, storage, and solar plants into a single intelligent solution.

SOLAR SOLUTIONS LLC

17-A Drahomanova Str., UA-02068 Kyiv, Ukraine

mob.: +38 066 680 73 77

e-mail: solarsol2018@gmail.com

<https://solarsolutions.in.ua>

Solar Solutions is an official sales and service partner of Fronius, a certified distributor of Victron Energy and an official service center, and an authorized distributor of ZYC Energy.

SONNENERGI LLC

1 Leonida Kadenyuka Str., UA-41107 Shostka, Shostkynskyi dist.,

Sumska reg., Ukraine

mob.: +38 067 444 34 34

e-mail: office@sonnen.com.ua

<https://sonnen.com.ua>

The energy company was founded in 2019. Over the years, the company has been actively developing and positioning itself as a reliable supplier of solar energy and sales of energy equipment. Our main advantages are environmental friendliness and efficiency.

SPACE UKRAINE LLC

12 Poliarna Str., UA-04201 Kyiv, Ukraine

mob.: +38 067 269 05 88

e-mail: suen.ukraine@gmail.com

<https://suen.com.ua>

SUEN is a Ukrainian group of companies specializing in distribution, construction of solar power plants, project management, development, consulting and implementation of other renewable energy technologies.

SYLA KHARKOVA

6 Metalista Str., UA-61015 Kharkiv, Ukraine

mob.: +38 050 400 32 65

e-mail: jvr06@ukr.net

<https://mpb.kh.ua>

Our company has been working since the early days of the war and we know how important it is to have access to electricity in any mind. In addition, we have developed military-grade power banks with capacities ranging from 40,000 mAh to 140,000 mAh, as well as charging stations and batteries with capacities ranging from 300W to 5500W and capacities ranging from 0.6kWh to 11.1kWh. Our power banks can charge four radios simultaneously via 12V and 14V adapter cables, or up to 8 devices via the original USB port. In addition, our devices can be charged simultaneously with 4 charges, which greatly speeds up the charging process of our devices. Our charging stations and batteries are widely used for charging batteries, robots and other devices.

TEPLOCOM LTD

16-B Akhmatovoi Str., UA-02068 Kyiv, Ukraine

mob.: +38 097 137 70 79

e-mail: info@teplocom.ua

<https://teplocom.ua>

Teplocom is an engineering and manufacturing company that has been creating solutions for the food, sugar, and chemical industries since 2000. We provide a full cycle: from audit and design to equipment manufacturing and service.

Our solutions include: Evaporation plants and vacuum pans, dryers, coolers, crystallizers, heat exchangers and heaters, filtration systems, conveyors, elevators, and silos.

Our technologies are aimed at reducing energy costs and ensuring the stable quality of your product.

TES UKRAINE LLC

4 A. Antonova Str., UA-03186 Kyiv, Ukraine

mob.: +38 098 962 49 58

e-mail: tes@tesukraine.com.ua

<https://tesukraine.com.ua>

TES Ukraine develops advanced backup power and energy storage solutions for industrial, commercial, and critical infrastructure applications. We implement systems based on Sunlight, Victron Energy, Studer Innotec, and Siemens technologies — from autonomous power systems to containerized BESS solutions. The capacity of a single container can reach up to 5 MWh. Our energy systems ensure uninterrupted operation of production facilities, data centers, and machine-tool equipment during power outages.

THE GAS INSTITUTE OF THE NAS OF UKRAINE

39 Dehtiarivska Str., UA-03113 Kyiv, Ukraine

tel.: + 38 044 456 44 71, 456 88 30

e-mail: info@gas-inst.org.ua

<https://gas-inst.org.ua>

Development of scientific principles for increasing the efficiency of natural gas and alternative energy sources as a basis for creating new energy and resource-saving technologies, development and implementation of landfill gas utilization complexes, equipment for substitution natural gas with biogas, cogeneration plants, and distributed small-scale generation facilities.

TOKMAK DIESEL MASH LLC

UA-49011 Dnipro, Ukraine

mob.: +38 067 684 21 21

e-mail: office@tokmakdiesel.com.ua

<https://tokmakdiesel.com.ua>

TOKMAK DIESEL MASH is a company that offers comprehensive solutions: from production to sales and service of diesel and gas piston power plants with a capacity of 20 kW and above. The equipment is focused on the needs of business and industrial enterprises.

**U-NEE UKRAINE LLC**

8 Dmytra Lutsenka Str., of. 68, UA-03193 Kyiv, Ukraine

mob.: +38 093 066 58 88

e-mail: info@u-nee.com.ua

<https://u-nee.com.ua>

LLC U-NEE Ukraine is a leading supplier of high-quality and innovative solutions in the field of energy storage systems in Ukraine. We are shaping the energy future by offering reliable technologies for residential, commercial, and industrial needs. The company is confidently moving toward becoming a global leader in the new energy industry, providing customers with next-generation products and uncompromising quality. Our key areas include:

Our key areas include:

Home energy storage systems — modern solutions for energy independence and stability.

Portable power stations — mobility, power, and autonomy for any conditions.

Batteries for equipment and machinery — reliability proven by time and technology.

Commercial and industrial ESS systems — scalable solutions for businesses, manufacturing, and infrastructure projects.
